SAMSON 52"
SEMI-INGROUND

HYDRA SAMSON 52" SEMI-INGROUND

The Samson Semi-Inground Pool offers the most versatility of any pool we offer! Regardless of the landscape or limitations of your backyard, the Samson Semi-Inground has the right size and shape to fit your dream.

Whether inground, above ground, or semi-inground, you'll receive a lifetime of enjoyment. Samson Steel includes the highest available level of zinc coating which guarantees your pool walls will stand up to rust and corrosion, preventing unnecessary pool maintenance for the lifetime of your pool.

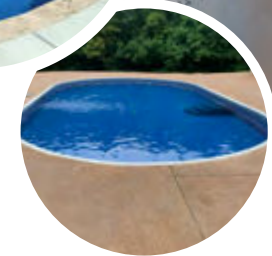

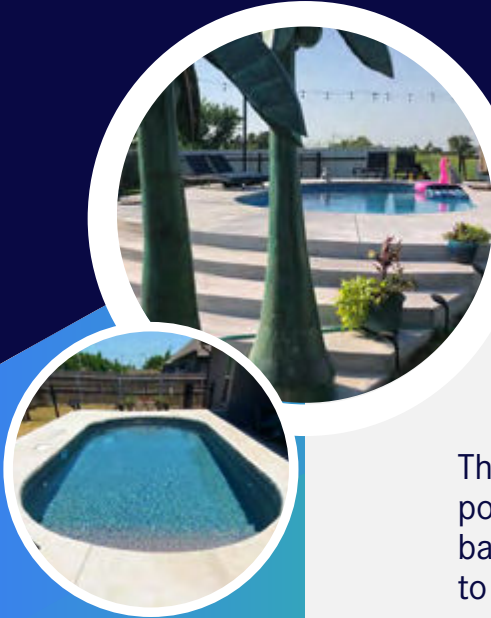

THE SAMSON 52" CAN BE INSTALLED
IN GROUND, ON GROUND, OR
SEMI-INGROUND

Available in 4' wall lengths for quick installation
